Community keeps giving

10-9-4

Editor:

In these harsh economic times, it is extremely pleasant to note how Frostburg, and county residents, continue to give.

Recently the Frostburg Lions held a pet food drive to benefit the Ark of Hope Animal Rescue. In the end, the final tally was so much more than could have been expected — \$712 in cash, nearly 600 pounds of dry pet food, as well as pet toys, blankets and so much more.

Amazing.

Thank you is certainly not enough to show our gratitude for the continual support the community gives to the Frostburg Lions and its many programs and projects.

We will continue to give back to the community, because of the generosity of the community. Your support makes it all so very possible. We thank you and look forward to serving you.

Yours in community service,
