LETTERS TO THE EDITOR

Chili Cook-Off patrons make for Lions barbecue chicken sell-out

To the Editor:

Yes, we were there at the Frostburg Mountain City Chili Cook Off on June 30, and so were you. So many of you, in fact, that we ran out of our Classic Chicken Barbecue, and that is a very good thing to do.

The folks who attended the Frostburg Chili Cook Off deserve a hearty thank you for all of their support, and of course for liking our barbecue chicken. Your support of the Frostburg Lions Club cannot be questioned. The funds that we raised through

this project will be used to support the programs that we sponsor, including vision screenings for children, eye glass purchases, and citizenship programs at Beall Elementary School.

Each dollar that we raised will have an economic impact in the local economy, and thus the benefit of this fundraising effort will multiply itself. The Frostburg Lions Club sincerely thanks all who supported our Chicken Barbecue — Best Barbecued Chicken This Side Of Route 36 — from those who purchased chicken, to those who said "let me help," lending a quick hand when needed. Hats off to Frostburg.

Principal Notes

I would like to take this opportunity to recognize the **Frostburg Lions Club** for sponsoring the Treasure Tower Reward system in our school. The students in grades K-5 are using there gold star coupons to earn a token which allows them to select a prize from the Treasure Tower. The Frostburg Lions Club has awarded \$1000 to our school for this system.
