FROSTBURG — The Frostburg Lions Club was recently recognized for its Vision Screening Program by the Judy Center, a pre school program in Allegany County. "We're not in it for the recognition. Preserving the vision of children is what it's all about" said Bill Munck, president of the Frostburg Lions. "But," he added, "it's nice to know this service is useful and appreciated."

The Vision Screening Program, offered each school year by the Frostburg Lions and other area Lions clubs, is the premier vision screening program in the area and it is provided free. Annually, more
