

The regular meeting of the Frostburg Lions was held Wednesday, January 9, 2008, at the Acropolis Restaurant with President Bill Munck presiding. There were twelve members in attendance and two visitors from the Tri-towns Lions Club. Guest speaker, Nanette Kelly gave an informative presentation on disaster preparedness.

In the business portion of the meeting, the Secretary's and Treasurer's reports were approved as given.

Under committee reports, vision-screening chairman, Edge Deuel, reported that we have three scheduled screenings. The first will be at Westernport Elementary on January 23rd, the second at Frost Elementary on January 24th, the third will be at George's Creek Elementary on January 30th. He also reported that we had screenings returned for about 20 students and 4 were referred to their eye doctor for an examination. President Bill reported that he was still working on setting up an account at Wal-Mart for our glasses program. Visitation chairman, Leon, reported we will visit LaVale on February 19th, and Cumberland on March 19th. The multiple district convention will be in Dover, Del. on May 7 thru 10th. I reported the basketball all-star games are tentatively scheduled for April 20th. I have contacted Jim Newlon, chairman, Noah Becker regarding our intern, and Dave Treber and Rubin Stevenson about the date of the game.

Under old business, President Bill announced that we have over 300 glasses that were donated by Megan Bullamore's sorority at the University of Delaware. This brought our total for the year to over 1,000 glasses.

Under new business, Lion Edge announced that Lions license plates are available and he has information for those that are interested. We will set the dates for our chicken barbecues at a future meeting. The Sight First 2 campaign is underway and \$122 million of the 150 million pledge has been raised. Individual Lions are encouraged to donate and our club will make a donation in the future.
