## JANUARY EVENTS

- >January 17- Board of Directors Meeting, Frostburg Museum, 6:30pm
- >January 24- Dinner Meeting, Acropolis Restaurant, 6:30pm

\*\*\*\*Call Committee, please contact the membership list to make reservations for next weeks dinner meeting\*\*\*\*

It is hard to believe that the Blizzard of '96 has come and gone already. But, we are ready to begin the new year with a great program for the next meeting. Dr. Donald Alexander, President Allegany Community College will be our speaker. Please note that this meeting will take place at the Acropolis Restaurant rather than the FSU P E Center.

A special thanks to the Failinger family for the Christmas party. It was a grand time for all who attended.

I wish to apologize to Gerry Calhoun publicly since I was the individual who failed to give the all-star football game its proper recognition during the anniversary celebration. The amount of effort along with the contribution that the football game has given to our club can not and should not be ignored. As part of that apology I wish to include Joan Calhoun since she had contributed a good deal of her time to making that program a success. To you both I apologize for my omission of the contribution that the Maryland West Virginia All-Star Football Game has given to our club and the area as a whole.

Members please note that dues for the year are due. Check with Leon if you have any questions about your membership status.

With Board approval, plans to hold the Flea Market project that was scheduled for last fall will take place in May. At the present time the tentative date is May 25, Saturday. More details in the newsletter.
