Club News

The speaker for our next meeting is Dr. Johnathan Gibraltar, President, of Frostburg State University. Dr. Gibraltar has taking over as president of the university this past summer. If you are interested in the future plans that will

effect FSU and our town, Dr. Gibraltar will have some comments on that topic.

Some of our recent contributions are: \$100 to Beall Elementary School for a student citizenship award. \$100 for the Diabetes Walk-a-thon directed by the Freedom Lion's Club. As a result of Tony Crobby's presentation at the last dinner meeting about the Hefer Project, our club donated \$200 to this worthy program. Go ahead has been given for Sue and Bill Munck to chair an auction. This project will take place some time in late spring or early summer.

Members are requested to save items that can be auctioned off. No clothes, books, or toys! Arrangements for the Annual Maryland-West Virginia Basketball All-Star game is underway. We expect that this project will take place no later than the middle of April.

District News

The zone meeting will be held on February 28th at the Acropolis Restaurant. Our club will be the host for this meeting.

Candidates for the office of District Governor is Barbara McKinney of the Kitzmiller club. The Vice-district Governor candidate
