

The regular meeting of the Frostburg Lions was held Wednesday, January 24, 2007 at the Acropolis Restaurant with President Leon Fatkin presiding. There were eleven members in attendance. Guest speaker was Dr. John Gibraltar, President of Frostburg State University, who gave the club information on the way he would like the university to develop. The Secretary's Report was approved as given.

Under Communications Tony Crosby sent us a thank you note for our donation to the Heifer program.

Under old business, the auction was discussed. We need a truck to take objects to the Lions building to store until the event. The date of the auction will be set at the next meeting or two. Both the armory and city place are available at the cost of \$15 an hour.

Also, under old business, Lion Cindy has forms to send out to those people who request glasses so we can gather more information. Lion Bill has developed thank you notes for use after projects, when appropriate.

Under new business we discussed having our chicken barbecue at the same time as the Chili cook off. The date would be June 30th at the Frostburg Swimming Pool Park from 12-5. It was mentioned that we would not have as much student help during the summer. Lion Leon was going to check with Ron McKinney to see if the cooker was available for this date before we made any decision. The club approved Lion Cindy paying our per capita dues.

The MD-WV basketball game will be Sunday, April 15th at FSU. It was suggested we send advance sale tickets to other clubs in towns where we recruit players. The club approved Stan Walton to be a member of the Frostburg Lions.

As there was no further business, the meeting was adjourned
