Frostburg Lions set up weekly recycling

FROSTBURG — Members of the Frostburg Lions Club will accept old cell phones, eyeglasses and computer ink cartridges for recycling at the weekly Farmers Market on Main Street on Fridays in June.

They will have information brochures on a variety of vision problems and how to prepare for emergencies.

For more information, call 301-687-0212.

Frostburg Lions will sell pies

FROSTBURG — Members of the Frostburg Lions Club will sell ice cream pies from Pages' Ice Cream, Cumberland, during the weekly Frostburg Farmers Markets in July.

The Lions also will be accepting old cell phones, eyeglasses and computer ink cartridges and will have brochures available on a variety of vision problems and emergency preparedness.

For more information, call 301-687-0212.

Frostburg Lions Club recycling used ink cartridges, cell phones

FOR THE CUMBERLAND TIMES-NEWS

FROSTBURG — The Frostburg Lions Club has initiated a recycling program for Allegany County residents. The 3R's: Reduce, Reuse and Recycle Program that not only will help the county landfill, but also raise money for the Lions.

Club members have begun to collect computer printer ink cartridges, copier toner cartridges and old cell phones. These items are then sorted, packed and shipped to recyclers.

The items can be dropped off at First United Bank.

The 3R's will be an ongoing community service program, and a fund-raiser. Business owners can give the Lions their old ink cartridges, toner cartridges and used cell phones, as well. Lions can pick up larger quantities of cell phones and ink cartridges.

For additional information, contact the club at (301) 687-0212.
