

The regular meeting of the Frostburg Lions was held Wednesday, March 12, 2008, at the Acropolis Restaurant with President Bill Munck presiding. There were ten members in attendance, four guests from Oakland- Mt. Lake Park Lions and two from ST Michaels School. Mr. Rossi presented the program on the mission and programs of the school. The Secretary's and Treasurer's reports were approved as given.

Under communications, the club approved paying a bill for \$310 from Shaw Insurance for the basketball game. Also, the club voted to sponsor a little league team for \$250. The club voted to help sponsor cabinet secretary Bob Leece in the March of Dimes Walk for Babies for \$25.

Under committee reports, I reported that everything was going well so far for the basketball game. The ads are coming in for the program. Lion Sue will chair the 50-50 drawing at the game and Lion Leon will take care of sodas and water. Lion Edge has the tickets printed and is sending them to other clubs in the area. Vision screening chairman, Edge, reported we screened nine more students at Beall Elementary and we have no more screenings planned for this spring. Also, Tina Gormley has been trained to use the camera. LaVale has purchased a new camera that takes the picture and prints out the report. This camera eliminates the need to send the pictures away to be evaluated because the camera does everything. Visitation chairman, Leon, reported he had four members going to Kitzmiller for shrimp and cabin stew and at least two members going to the Cumberland meeting.

Under old business, membership chairman, Sue Munck, swore Tina Gormley in as a new member. Lorian Deuel was her sponsor. The club voted to make a \$50 donation to the Knights of Pythias to help with the upkeep of the Dan's Rock Recreation Area. The Campaign Sight First II donation would be approved at the next meeting.

Under new business, the club approved buying 25 raffle tickets to support Lions Vision Research at a cost of \$125. We will have a chicken dinner at the Deuels this spring. Lorian Deuel, program chairman announced program speakers for March and April.
