

Pampered Chef party to benefit Ark of Hope Animal Rescue

FROSTBURG — The Frostburg Lions Club is sponsoring a fundraising Pampered Chef party on April 18 at Zion United Church of Christ, 160 E Main St. Proceeds will benefit Ark of Hope Animal Rescue of Oldtown.

“This is just one way we can generate funds for our four-paw partners in Allegany County,” said project coordinator Linda Baker.

Each year, the Frostburg Lions Club conducts a pet food drive and fundraising campaign to assist the animals at Ark of Hope Rescue. The latest effort has been to purchase and outfit a trailer that can be used to transport animals and supplies to adoption events around the region. The trailer will reduce volunteer time and be outfitted with animal crates and all the necessary supplies for events, including tables, chairs, water, food and display materials.

Donations for the Ark of Hope Animal Rescue project can be mailed to: Frostburg Lion Ark Project, P.O. Box 371, Frostburg, MD 21532.
