

The regular meeting of the Frostburg Lions was held Wednesday, April 9, 2008, at the Acropolis Restaurant with President Bill Munck presiding. There were seven members in attendance and four visitors from LaVale. The Secretary's report was approved as given.

Under communications, the club received a letter from the International President for Sue Munck thanking her for recruiting a new member. Also, the club received possible constitution changes which will be voted on at the annual convention. Lions Vision Reseach Foundation wrote a letter asking for a donation. Since we had given already this year no action was taken. The club was asked to donate to an honorarium for District Governor Barb McKenney. The club voted to donate the same amount as last year.

Under committee reports and old business, Leon reported we had no new visitations since the last meeting. Tina Gormley will take over collecting stuffed animals for the Frostburg Police force to give to children who are abused, etc. President Bill reported we bought glasses for Alicia McClair and for a child at Beall Elementary. I reported we received the results from two vision screenings. All students at Georges Creek passed but we have to retake five students at the Methodist Church. I reported that we had received \$825 in program ads for the basketball game. I had met with the college to go over plans for the game. Also, I gave them a certificate of insurance for our use of the Cordts PE Center.

Under new business, it was suggested we invite Bill Miller to a dinner and present him with a plaque for being a hundred dollar sponsor for the basketball game.

There being no further business the meeting was adjourned.

Attendance: Leon Fatkin, Sue Munck, Bill Munck, Elmer Smith, Joe Mills, Phyllis Thomas, and Tina Gormley.
