Dr. Catherine Gira, President of FSU will be our dinner speaker. Special thanks goes to George Griffith for his work with the Broom Sale and Jake Failinger for hosting the "after game party" last week. This is a major fund-raiser for the club and your help along with George and Jake's leadership make for a successful project. Anyone with outstanding broom money is requested to turn it in as soon as possible.

Our club is looking for a local individual who may qualify for a leader dog. If you know of a candidate give their name to one of the officers.

Earlier this week a Zone Meeting was held in Rawlings. Pres. Loyal and Jeff Krone attended for our club. The increase of eleven new members has given our Club a boost when many clubs are facing declining membership. New members are always welcome.

As a reminder, beginning in June and through out the summer, we will at the Frostburg Swimming Pool pavilion. Meetings will begin at the usual time.

Following the dinner meeting the 50th Anniversary Comm. will be meeting.

I am sorry to report that Pat LeMay died on May 2nd at her home in San Bernardino, CA.. Pat, along with husband Mike were strong members of our Club during their residence in Frostburg. Our sympathy goes to Mike and their children.
