

# Lions Club sets goal for 10,000 Box Tops

FOR THE FROSTBURG EXPRESS

FROSTBURG — The Frostburg Lions Club has begun a project to collect Box Tops For Education to benefit Beall and Frost Elementary schools in Frostburg. A goal of 10,000 Box Tops coupons has been set by the club.

The collection goal translates to \$500 for each school, as Box Tops are worth 10 cents each when turned in by a school.

The Lions Club plans to continually accept Box Tops For Education as an ongoing project and aims to reach the collection goal each school year.

Box Tops collection efforts by businesses, churches and other groups can be provided to the Lions Club, who will donate them in bulk to the schools. Box Tops should be trimmed and can be mailed to Frostburg Lions Box Tops, P.O. Box 371, Frostburg, MD 21532. Being an ongoing project, the Box Tops can be mailed anytime.
