

The regular meeting of the Frostburg Lions was held Wednesday, June 13, 2007 at the Acropolis Restaurant with President Leon Fatkin presiding. There were seven members in attendance and one visitor from LaVale, who wants to transfer his membership to our club. The Secretary's and Treasurer's reports were approved as given.

Under Communications, the club received four thank you notes. The first was from Kayla Lewis thanking us for her new glasses. Two others, from Chris Ackerman and John Robinette, thanked us for sponsoring their graduation awards. The fourth was from Wayne Nicol, principal of Beall High School, thanking us for sponsoring two graduation awards.

Other communications included a bill for Ada Crowe's glasses. The club voted to pay the total amount of \$110. The Change of Banner and District 22W Awards dinner will be July 15<sup>th</sup> at the Southern Garrett Rescue Squad. The cost is \$15. Reservations are due by July 9<sup>th</sup>. Members should contact President Leon if they wish to attend. A letter was received from Beall Elementary School asking us to support their Positive Behavior Intervention Supports program. The club voted to sponsor this program at a cost of approximately \$1000.

Under old business, the club paid \$375.28 postage to send 33 boxes of supplies to our soldiers in Iraq.

The chicken barbecue for June 30<sup>th</sup> was discussed. Lion Jake has contacted Kingsford about the charcoal and will get it. Lion Bill will contact the city about the city dump truck for trash removal. Lion Cindy has made arrangements to have the rolls delivered on Friday to her house. She has also contacted student services about possibly getting student help. Lion Edge has made arrangements through Lion Joe Pace to get the 400 chickens.

Lions Bill and Sue went to the Cumberland Time concerning publicity. Debbie Hawn will handle any press releases. We should not leave anything at the Frostburg office. It is probably best to e-mail any releases to her. Bill will present more information on this in September.

Under new business, the county health department contacted Lion Jake to see if we would buy glasses for their clients. While we will help people in the Frostburg area we felt that other county clubs should buy glasses for people in their areas. Lion Bill will get a list of contacts for the various clubs to give to the health department.

Lion Bill gave each member in attendance two postcards to return by next meeting. One regarding membership, the other the auction.

As there was no further business, the meeting was adjourned
