

Annual Picnic, July 13
Frostburg Village Nursing Home

Although no formal meeting was conducted, several items of business were discussed with the members. Lion Bill had received a letter asking for money to help purchase needed supplies to remodel a bathroom for Jason Edwards who is suffering from ALS. Lions John and Vicki were asked to look into this matter.

Award pins (shaped in the form of a key) were given to Lions Susan (gold) and Linda (silver) for participating in the centennial membership drive by sponsoring at least two new members. Lion Linda, Club secretary, also received a Certificate of Appreciation for successfully completing all of the required information requested by International during the year. Linda thanked Bill and advised the group that his name should be on the certificate because he does all of the computer work.

It was voted on to send \$100.00 to District 22W to sponsor a hole at the annual golf tournament in September. Event will take place at the Maplehurst Country Club.
