Food drive to benefit Ark of Help

FOR THE FROSTBURG EXPRESS

FROSTBURG — The Frostburg Lions are sponsoring a drive to benefit the Ark of Hope Animal Rescue, which was heavily damaged in the late June storms.

"Our goal is 500 pounds of pet food, \$500 in donations, and piles of supplies," said Lions President Tina Gormley.

The first week of the drive brought in 130 pounds of pet food, and \$50 in donations. Bleach, towels, cat litter, pet toys and blankets were also collected.

Donations can be made at the Farmers Market every Friday, First United Bank, Hotel Gunter, and in Cumberland at the Western Maryland Animal Hospital. For information on how you can help, call 301-687-0212. You can mail donations directly to: Ark of Hope, 13400 Arctic Ridge Lane, Oldtown, MD 21555. Donations are tax deductible.
