The Frostburg Lions Club recently conducted its first Summer Food Drive for the Frostburg Interfaith Food Pantry at the Save A Lot in Frostburg. Assisting, from left, were Roger Moore, Save A Lot maintenance supervisor, Keyser; Lonnie Bishop, Baltimore, director of operations for area Save a Lot stores; Vicki Peterson, Frostburg Lions; and Frostburg Save A Lot Store manager Amanda Pattison. Nearly 1,000 pounds of groceries were collected. Save A Lot Store representatives cooked hot dogs and distributed potato chips and drinks, with all proceeds, \$361, going directly to the pantry. Additional donations can be dropped off at the Frostburg Interfaith Food Pantry, West Main Street, Tuesday and Thursday mornings. Monetary donations can be mailed to the Frostburg Lions Club Food Drive, P.O. Box 371, Frostburg, MD 21532.
