# Lions Club collecting Box Tops for schools

FOR THE FROSTBURG EXPRESS

FROSTBURG — The Frostburg Lions Club has developed a Box Tops for Education Program that allows everyone to participate and help local schools. Lions will accept Box Tops for Education and combine them with others collected in hopes of making a significant contribution to local schools.

This is the second year Frostburg Lions has conducted a Box Tops program. Lions pool all the box tops and provide them to a school. The first year, Lions were able to give to Beall Elementary School several thousand Box Tops toward its goal of \$3,000.

The goal this year is again \$3,000.

Box Tops for Education should be cut from product labels and mailed to Lions Box Tops, P.O. Box 371, Frostburg, MD 21532.

For additional information, call 301-687-0212.
