

WHERE THERE'S A NEED
THERE'S A LION

Frostburg Lions Club

Minutes: 07.23.2014

"Decnic"

WHERE THERE'S A NEED
THERE'S A LION

The Annual "Decnic" was held at the home of Lions Lorrain & Edge Deuel, Wednesday, July 23, 2014, at 6:00 p.m. A brief Lions Club meeting was held.

Lion Edge provided the invocation for the "Decnic". Food and fellowship was shared between Frostburg Lions and guests. Lion President called the meeting to order. There were no minutes or treasurers report, as both were on their way back from Ireland.

Lions present properly moved to have the "Decnic" as a "no cost" event for members, charging the administrative fund for expenses incurred. Total cost was \$100.00.

Lion Bill gave an update on the auction project partnership with Shaft Fire Hall. The first auction provided us with approximately \$116.00. The second and subsequent auctions were cancelled to health issues facing the family of the auctioneer.

Lion Treasurer Cindy had previously indicated that at some point in the foreseeable future she would need to move our bank account(s) from First United to a local (i.e.: Frostburg branch) financial institution. It was properly moved and carried that: ***"Lion Cindy Powers, Treasurer, Frostburg Lions Club, is hereby granted authority to move account(s) and funds from First United Bank to a local Frostburg financial institution, establishing such accounts as she deems necessary. Signors on the account shall be: the president, vice president, secretary and treasurer. Two signatures shall be required for all financial instruments."***

There being no other business, the meeting was adjourned.

Respectfully submitted,

Lion Susan Munck, Acting Secretary
